## Alicia Alonso: Ballerina *Let's Get Social!*

Most of our Who, When, Wow heroes lived at a time when the internet and social media did not exist. But...what if it had???

What might Alicia Alonso's Twitter feed look like? What about posts on her Facebook or Instagram account? Using either the space below, or a document on the computer, create a social media feed for Alonso.

Some things to think about or incorporate into your work:

- What causes were important to Alonso? How would she want to tell the world about them? Remember to use both words and images!
- Which of her posts would get lots of likes or hearts? Which wouldn't?
- Who would her "friends" be?
- What kinds of polls might she post?
- What kind of advice might she be asking others for?
- Would she or wouldn't she celebrate certain events or holidays?
- What kind of hashtags might she create?
