EARTHLINGS WEEK

PRODUCED BY *Tinkercast*

Name: _____

Date: _____

Activity: Up-Cycled Escape Pod

When Flip and Mozi's spaceship crash lands on Earth they jump into their ship's emergency escape pod and head out to explore the planet and learn what it means to be an earthling! Let's make our own emergency escape pods while upcycling a big cardboard box.

Materials:

- Large cardboard box (big enough for a child to sit in)
- Clear packing tape
- Scissors
- 2 disposable cups (paper or plastic)
- Decorating supplies such as washi tape, paint, markers, stickers, etc.

Wow-To:

Step 1: Make sure the top and the bottom of your box are sealed with tape.

Step 2: Have an adult help you cut out a semicircle on each side to make the doors. Then cut two-thirds of the top off the box (this opening will allow you to sit inside the vehicle).

Step 3: Attach the cups to the front side of the box (these are your headlights).

Step 4: Grab your decorating supplies and decorate as you like.

Step 5: Jump in and take your escape pod for a spin!
