Matthew Henson, Explorer

Feeling wowed by this impressive explorer who co-discovered the North Pole? We are too! Let's imagine we are also explorers and think about what we might need.

Design Your Own Adventure Toolkit

From shrink wands to magnifying goggles to clown wigs, Mindy's Adventure Toolkit keeps her prepared for anything and everything! What might you include in your own, personal, ready-for-anything Adventure Toolkit?

Using the space below draw and label the items you might include. You might also include a description of how you might use each item on your adventures!
