SOCK-TOPUS

Don't throw away all of those socks whom have lost their mates. Re-use them and make yourself a cuddly little sock-topus!

CRAFT
WOW TO:

1 Stuff the toe end of the sock with a good sized amount of batting to form the body.

2 Tie off the body with some string, ribbon or a rubber band.

3 Cut the bottom of the sock into 8 strips, for the tentacles.

4 Add the googly eyes and any other embellishments you'd like to add.
