PEANUT BUTTER BANANA ICE CREAM

Bananas and peanut butter are a classic combination. If you like this combo as a snack, then you'll go bonkerballs for this recipe!!! Creamy, cold and made with just three simple ingredients.

INGREDIENTS

- * 4 ripe, frozen bananas
- * 2 tablespoons peanut butter
- * 2 teaspoons coconut oil

RECIPE
WOW TO:

- 1** Slice up the frozen bananas into ½ inch thick rounds.

- 2** Place frozen bananas, peanut butter and coconut oil into a food processor (or blender) and puree until smooth and creamy.

- 3** If you like a soft serve consistency, serve it right up! Or refreeze for a firmer, hard ice cream consistency by spooning the mixture into a container and re-freezing for at least an hour.

- 4** Enjoy your sweet treat!
