Dear Member of the World Organization of Wowzers,

It's ME! Your best friend Dennis! And I would like to cordially (DOES ANYONE KNOW WHAT CORDIALLY EVEN MEANS? I DONT!) Ahem...where was I? Oh yeah, I DENNIS, would like to cordially invite you to join ME for a super duper sneaky peeky of a brand new, never-before-heard episode of Wow in the World called, Rocket Dreams!

In this episode, we all fall asleep. ...because we're camping....but as a member of the World Organization of Wowzers, YOU get to join us in our DREAMS as we explore the Artemis rockets that will bring humans back to the moon for the first time in 55 years!

In other words, it's a really weird episode and you're gonna love it. So join ME! DENNIS! For an out-of-this-world listening party on Saturday, August 17th at 7pET/4pPT.

Grownups can learn more and find the information on how to join at tinkercast.com/events.

A letter from *ENTER NAME HERE?* TO US?! This is so bonkerballs! Okay, okay, okay, calming down now. [DEEP BREATHS] Love the name, by the way...*ENTER NAME HERE*, that's a scientist's name if I ever heard one! I wonder what kind of discoveries you'll make? Have you ever considered turning your bathroom into a laboratory of bad ideas? GASP! (no...wait...scratch that. That bad idea is a *BAD IDEA*.)

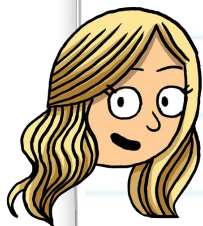

And you're from *ENTER WOWZER CITY HERE?*! What are the odds! Did you know Grandma G-Force's cat landlord Colonel Toots Thunderpaw is from *ENTER WOWZER CITY HERE?* True story!

ANYWHO, thanks for writing us! *ENTER COMMENT RELATED TO WOWZER LETTER*. You seem like someone with lots of GREAT ideas, so maybe you can help us out. We just gave the Wow Machine a brand new paint-job with flames painted on the sides and we're looking to take it for a spin. Soooooo any suggestions on where we should explore next??

Thanks again for writing in and keep on WOWing!

From your pals,

Mindy Guy Raz

PS - I'M NOT SURE IF THIS WAS YOU, BUT YOUR LETTER HAD A MASSIVE MUSTARD STAIN ON THE TOP LEFT CORNER. IF THIS WASN'T YOU LET ME KNOW BECAUSE IT MEANS DENNIS HAS BEEN READING MY MAIL WHILE EATING AGAIN.

PSS: I INCLUDED A FEW MICRO-GREENS FROM MY GARDEN WITH THIS LETTER. IF THEY'RE MISSING, IT MEANS THAT DENNIS HAS BEEN READING THIS AND EATING MY OUTGOING MAIL TOO!

PSSS - REGGIE ALSO SAYS HELLO!

BEGIN TRANSMISSION

HELLOOOO LISTENER!

You'll never guess what just happened: I was sitting in the basement enjoying a slice of [REDACTED] and [REDACTED] pie when suddenly - WHAM - your letter shot out of the time tube and slapped me right in the face!

I can't believe you're from (CUSTOMIZE WITH WOWZERS TOWN). I was just there [REDACTED] my lunch break! Although, it was the year [REDACTED]. Were you around then?

Anyway, thanks a million for being such a rad fan of my super secret podcast! ADD NOTE HERE RELATED TO A QUESTION OF NOTE IN THE FANMAIL LETTER.

AH! BRAINWAVE!

I've heard we're hiring for a Temporal Snack Coordinator. Do you need a job? B.U.T.T.H.E.D isn't the most exciting place to work and you do have to deal with [REDACTED] BUT if you worked here we could go on lunch time adventures together! It would be so RAD! Promise me you'll think about it.

Until then, I'm sending you a big virtual high-five for being the [REDACTED] fan I've met from (CUSTOMIZE WITH WOWZERS TOWN).

Thanks [REDACTED] for being such a [REDACTED] of Who When Wow: Mystery Edition.

Yours in History [REDACTED] Mystery,

Carly Q

P.S. If B.U.T.T.H.E.D management is reading this ... don't worry, this is just one big joke. I definitely do not have a secret podcast and I definitely do not use the timeelevator on my lunch break. - Carly Q
