NEIGHBORHOOD SPRING CLEAN UP

When winter ends, many people engage in spring cleaning, where they deep-clean their homes. Why not do this for your neighborhood too? Bonus: spring cleaning the planet is the perfect way to celebrate Earth Day!

ACTIVITY
WOW TO:

1 **Talk** to people who live near you to see if they are interested in helping.

2 **Set** a date for your community cleanup.

3 **Start** by walking around your neighborhood, on the designated day, and picking up any trash you see.

4 **Pick** up any natural debris and rake up any leaves that have fallen to the ground from spring storms.

5 **Walk** through your neighborhood to admire your efforts.
